The screenshot shows a web browser window displaying the IBM My IBM Products and services page. The page title is "Products and services". There is a search bar and a navigation menu with options: Profile, Products and services (selected), Orders, Notifications, Support, and Events. Below the navigation, there are filters: "Filter by title" and "Sort by product name". A blue banner indicates "Displaying filtered list of products." with a "Display all" link. The main content area shows "Trials 1 Offerings". A card for "IBM SPSS Statistics" is displayed, with the status "Preparing your order" and a "Refresh to update status" message. There are "Refresh" and "See details" buttons. The footer contains links for Contact, Privacy, Terms of use, Accessibility, Feedback, and Cookie preferences, along with a language selector set to "United States - English". The Windows taskbar at the bottom shows the Start button and several application icons, with the system tray displaying the time as 1:57 PM on 2/22/2017.
